Docket Text:

Judge Patti B. Saris : Electronic ORDER entered granting in part [140] Motion to Produce Documents Pursuant to Court Order Under Seal. "All documents shall be produced to counsel for Scansoft, but the source code itself shall be redacted. The complete set of documents (redacted and unredacted) shall be produced to the Court under seal. The Court is considering the idea of a neutral expert who will look at Scansoft's trade secrets and compare them to Voice Signal's trade secrets. I will review Scansoft's response and hold a hearing." (Patch, Christine)

Docket Text:

Judge Joyce London Alexander : ORDER entered denying [97] Motion for Protective Order. This Court ORDERS VST to produce all documents indicating the work that the individual defendants performed for VST for a period of one year following the commencement of their employment with VST. VST's motion for a protective order is, therefore, DENIED to the extent that it seeks to protect confidential information that falls into the category of documents that VST must produce. (Brown, Rex)
